

We would like to thank our partners in this ministry. God has made you a part of this ministry to serve Him and the least. Thank you!

A word from Bobby

Bobby with "Happy" in Costa Rica.

Everyone has a grave marker. Yikes! What will my grave marker state about me? It will have my name on it and it will have the dates of my birth and death. If I create my marker in advance, it will have some inspiring

words on it, such as, husband, father, grandfather, lover of people and God. The marker will be made of granite or some other material just like everyone else. However, the grave marker will have a dash on it between the dates. This dash is what will separate me from all the other people with grave markers. The psalmists encouraged us to remember that our days are numbered and how we live does matter. In the new year, I would like for my life to count for something that matters to God and people. I want to be a grateful servant of God and to His creation. I want to be able to encour-

age others to know how great God's love is. I want to use my time and talents to influence people for good, not evil. In 2009, I want *Unto the Least of His* to continue in Kingdom's work around the world. I have seen lives and villages changed by God's love while using up my dash. It is awesome to know that globally we can make a difference with our dash (or life) even if it is just one person. Others used part of their dash so that I could be who I am today! With a grateful heart, I want to use my dash so that others can know God and that kind of love. Time is ticking so let us not waste it!

Ministry of Presence

Have you ever felt inadequate or "giftless" for missions or ministry? Sometimes your willingness to serve is all that is needed. There once was a person who wanted to go on a mission trip out of the country, but he felt like he had nothing to offer. This overwhelming feeling of missions brought him to Africa. He was not a construction worker, a bible teacher or a medical person. While in Africa, it was true that he could not help with the construction, the pastors conference or the medical team. He just sat around and talked with the street children. He would play

games with them like a grandfather in the USA. He knew the children's names and they knew his name by the end of the week. On Wednesday night, he invited these unwanted street children to church. They came, and 4 of them accepted Jesus Christ as their Lord and Savior! These 4 children brought their parents and they started a discipleship group, which is now the largest group in the church! In Kingdom's work, we are all equipped for the tasks that God gives us to complete. Whether by construction, teaching or by the ministry of presence.

Many of these street children need someone to build a relationship with them and to share Christ with them.

Work Continues in New Orleans!

Nashville UMC and the Wesley foundation of Georgia College and State University along with my sister, Janice Gale, made a mission trip to New Orleans. Our job assignment was to gut out this elderly gentleman's house 3 1/2 years after Hurricane Katrina. The Wesley House members were from Brooklet UMC, LaGrange Baptist, Alpharetta UMC and Hardwick Baptist Church. Also, we took the Unadilla United Methodist Church in the fall and there is still plenty of work to do! The Lord blessed our time together in word and deed.

Try Something New!

If you want your life enriched, get involved in something different. I recently attended a Wesley House retreat in Covington, GA sponsored by UGA. These college students were high-energy and full of creativity. The worship was awesome, but the basketball game of HORSE during free time was where it was happening! Try something new in 2009! You just might like it!

We Want Your Clothes!

Unto the Least of His has been shipping clothes to Africa and Central America. We are collecting clothes for these needy areas. We have many churches and friends that have helped like New Oregon UMC, Acworth UMC, New Pentecost, Warner Robins 1st, Irwinton-Toomsboro UMC, Sparks UMC, Warwick UMC, Mt. Carmel Baptist, Hardwick Baptist, Hahira UMC and Gordon UMC. We want your used or new clothes, blankets, sheets, etc. for this mission. We were blessed to get a baler at a good price and have put it to use already! This baler helps us compact these clothes for more efficient shipping and we are praying for a good forklift to help us move these bales of clothes. Turn your used and new clothes into a ministry for the least!

WE ARE HOME!

After 3 years we were able to spend Christmas at our home! We can't say thank you all enough.

Love,
Mr. & Mrs. Horace Page
Phoenix, LA

*The Lord will watch over your coming
and going both now and forevermore.*

Update on Water Wells

In the beginning of 2008, we wanted to place 5 water wells in the pastoral nomadic lands of northern Kenya. By the end of the year and the beginning of January 2009, we have 4 working water wells. We are thanking God for the success of the 4 wells. People are drinking fresh clean water in Jesus' Name. In 2009, we are believing God for 6 more wells in different villages. Please continue to pray for these water well projects and become involved!
