

# UNTO THE LEAST OF HIS

*Where the least come first!*

## **Our Vision**

The vision for this ministry is to equip local churches to become more actively involved in Christian mission opportunities and service.

## **Our Goals**

1. Select and train future mission team leaders and help them implement mission projects for their church.
2. Attract and train mission team leaders by taking them on a mission trip before leading a team on their own.
3. Generate interest in missions by providing local churches with programs, seminars, or services about missions.

***Unto the Least of His would like to thank all of our partners in this ministry.***

## **A Word from Bobby**

Christian ministry is a privilege and a high calling from God. Paul wrote in Romans chapter 10, "how beautiful are the feet of them that bring good news". While we were traveling to Ghana, Africa in February, I met one of those faithful servants of God. His name is Dr. Frank Horton, or Brother Frank to his Christian family of Liberia, Africa. He was faithful to Christ, to his mission and to his calling. He served his congregations not

knowing that one of his members would become the first African woman to be President of Liberia. While faithfully serving his Lord and Savior, Jesus Christ, the Lord used Brother Frank to nurture the current Methodist President of Liberia! Brother Frank reminded me to be faithful to my duties of making disciples for Christ, because we do not know who is in our care and what they will become!

## **Update: Water Well Project**

I would like to thank those who are faithful to their calling because God continues to use you and your gifts. I can joyfully report to you that \$10,500 has been sent for the water well project in Kenya! Rev. Michael Lolwerikoi has received our gift of money and love. Please continue to pray for his village and country.

Another water project was just completed in Apon, Ghana. Apon is a small fishing village with about 6000 people. They had no clean water in this village. Apon Baptist Church requested help from us. Unto the Least of His and partners responded to the needs by purchasing a 4000 gallon water cistern. The cistern is strategically placed near the church so that the people not only have access to the water, but God's living water as well. Praise God!

## Your Money and Ministry in Action

***For I was hungry, and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you invited me in; naked and you clothed me; I was sick and you visited me; I was in prison and you came to me. Matthew 25:35 & 36***

A little boy patiently awaits his turn to receive some clothes and shoes.

I would especially like to thank Allentown UMC, Powersville UMC and Mulberry UMC for the needed clothes and shoes that were given in Jesus' name. Those clothes were and will be distributed to needy children. A child was blessed because you answered "yes" to the Lord's call. Good ministry demands unselfish acts of compassion and mercy, and for us to humbly walk with our God. Lives are being changed and souls are being won to the Lord for

In Jesus' name, children receive clothes and shoes in Ghana, Africa

After receiving clothes.

Three years ago, we asked God for a school on this piece of property in Ghana, Africa. Rev. Wayne Racz of South Georgia Foundation is in this circle of believers.

God Answers Prayer on West Bank of Africa

The school building is being constructed and used on this very day. However, the school needs about \$100,000 to see it

Approximately 125 children are going to school with joy in this unfinished building.

## Unto the Least of His Office Under Construction

After nearly four years of operation, we have decided to construct an office, garage and guest room. In January, we laid the foundation and started constructing the building. It is being built by God's grace and volunteers. We would like to thank those who have helped by labors of love, prayers and encouragement. I would especially like to thank Rev. Tommy Veal and members of Gethsemane UMC for their help. Also, I would like to thank Rev. Eddie Morrison and Buelah UMC for their support of this project. Another pastor that I would like to thank is Rev. Joe Bateman of Sparks UMC. There have been many youth and adults that have contributed to this construction project and I would like to thank them also. Please continue to keep this project in your prayers and we welcome your comments, visits and help. The next phases are placing of the metal roof, siding, electrical work, sheet rocking and plumbing.
