Our Vision

The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.

A word from Bobby

The world is a dangerous place, not so much because of evil-doers, but because of Christians who look on and do nothing. As I recently returned home from Africa and Central America, I can honestly reaffirm my original statement about our world. How many children and adults must die before the Christian church wakes up at home and abroad? People are dying spiritually and physically all around the world due to contaminated "waters". The literal waters are contaminated with typhoid, guinea worms or other water-born diseases, but the spiritual waters are contaminated with disobedience to God and His call and can be just as deadly. We are to reconcile the world to God by offering cups of living water to the thirsty. Many of the partners and friends of Unto the Least of His are fulfilling our Christian duty to love our neighbors and God as Jesus commanded us in the Scriptures of the Holy Bible. Clean "waters" changes people forever!

In this economically difficult time, I want to thank you for being the life-givers of clean water in Jesus' name. You are the hearers and doers of the work and words of Jesus by being reconcilers of God. Together we placed another water well in a small nomadic pastoral Maasite village where a 12 year old girl died a few weeks ago due to contaminated water. The mother of this child stood by the digging of the new water well and she stated that her other children would not have to die from contaminated water anymore. When the words and deeds of Christ are demonstrated, others will be reconciled to the Living Waters of God.

LaGrange College Clergy Servant Leadership Award

At the 2009 South Georgia Annual Conference, President Stuart Gulley of LaGrange College presented the LaGrange College Clergy Servant Leadership award to Bobby Gale. Bishop James King was the keynote speaker for the evening and Bishop Marion Edwards and Dr. Quincy Brown helped make the presentation. The banquet was held at the St. Luke United Methodist Church in Columbus, Ga. Bobby accepted the award with the fullest understanding that he shares this award with the friends and partners of Unto the Least of His. May God continue to enrich our work so souls can be harvested.

Bishop Marion Edwards, Pres. Stuart Gulley, Bobby & Nancy Gale, Dr. Quincy Brown

We would like to thank our partners in this ministry. God has made you a part of this ministry to serve Him and the least.

Thank you!

We would love to come and share our ministry with your church, Sunday school class, circle, civic group, school or community event. Please continue to pray for this ministry as we reach out to the least in our world.

Well drilled at Mparingon Indigenous Pastoral Nomadic Community of 6,000 people. They now have fresh clean water. This well is dedicated to the glory of God and in memory of the late Rev Gene Bates and his family. These words will be written on this well. Friends of Andrew UMC and Unto the Least of His helped sponsor this water well.

Family whose 12 year old daughter died because of dysentery. Soon this problem will end as the provision of safe drinking water continues.

*Maasite man drinking from one of the water wells placed in Kenya. Fresh, clean water means life.*

*The water is so fresh and clean that even I enjoyed the sweet water.*

This is a church that Michael Lolwerikoi planted in the Maralal region in Kenya. Bobby was able to preach at this church. These people have committed to praying for the friends and partners of Unto the least of His.

Powersville UMC of Powersville GA made a trip to Costa Rica.

Crossroads UMC of Perry GA did a local mission trip to Irwinton GA.

Unto the Least of His Celebration

One of my regrets with Unto the Least of His is our limitation of time with you and the faithful partners that make things happen. We want to take time to celebrate the life of Christ and His work throughout the world.

We will have an Unto the Least of His celebration in the Gene Bates Social Hall at Andrew UMC in Kathleen, GA on November 14, 2009. It will be a low country boil and dessert with Costa Rican coffee or tea. Supper will start at 6:00 and the program will follow. We have singing, testimonies and an update on the different missions and projects. Please make reservations by contacting Gerald Martin at 478-335-3423 or Bobby Gale at 478-233-0345.
