September 2011

Our Vision  
*The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.*

## A word from Bobby

Exponential growth! We have seen our small investments of time and money grow significantly in the lives of people being touched in Central America, North America, Europe, and Africa. We have found the favor of God in our words and deeds. We have been blessed to work with some of the most loving and compassionate people on planet earth! Our clothing ministry continues to clothe the needy and provide some important jobs for people. We have shipped approximately 100,000 pounds of clothes or 4 containers of clothing to Costa Rica with a strong help from David Becker of Goodwill.

In the 2011 drought and devastation of Sub Sahara Africa, we have witnessed the co-op gardens grow. Starting from an idea to 12 women, to 35 families farming in one location. We are seeing these gardens multiply to other areas as the techniques are being taught. In two locations, we have helped with the placing and purchasing of 2 small greenhouses. These gardens are helping to eliminate hunger and malnutrition for the indigenous Maasai people and they are producing a small profit. This profit assisted in the purchasing of corn meal, sugar and other needed items for survival. Also, their children are able to go to school on a regular basis without being hungry and the school fees are paid from these small garden profits.

Water is life and we are placing more water wells in the indigenous communities of Africa. We were able to visit a few of the established water well systems and the people were happy to have fresh clean water. Their eyes were clear and a Samburu man named Samuel gave a witness that the Gospel is being preached. The water well system in memory of the late Rev. Joe Robinson is being placed in the near future. God is Good!

### Unto the Least of His Celebration

Where: Andrew United Methodist Church  
 2430 Hwy. 127 Kathleen, GA 31047  
 Date: October 8, 2011  
 Time: Low Country Boil @ 6:00 pm  
 Unto the least of His program @ 7:00  
 A nursery will be provided for the evening

This is an Annual Low Country Boil to celebrate with the friends and partners of Unto the least of His. It is a great time of ministry and fellowship! Also, we will have a free drawing for Cafe Rey Coffee from Costa Rica (mmm...delicious!). Please mark your calendar for this event!

Millions of children in developing countries never get to know the feeling of placing new clothes on. In these pictures, these children are getting that experience! Thank you for making it happen again and again around the world!

It is not uncommon for African villages to need food or food supply items, especially during the drought or rain shortages. Here is a small village receiving a food distribution by our mission team. Each family received about 10 pounds of corn meal and we received 10 pounds of gratitude! Thank you for making a difference in an area of the world that suffers from malnutrition.

An indigenous pastor of Northern Kenya receives a new red motorcycle for his ministry. This motorcycle will help him minister better to his village and congregation. He will have the only motorized vehicle in the indigenous area.

CAN WE MAKE A DIFFERENCE IN THESE **CHILDREN'S** LIVES?

We decided to let these pictures speak for themselves!

*A big thank you to our partners in this ministry! God has used you to serve Him and those that have been overlooked or forgotten, the least. Thank you!*

*We would love to come and share our ministry with your church, Sunday school, circle, civic group, school or community event. Please continue to pray for this ministry as we reach out to serve the least in our world.*
