

**Unto the Least
of His**

Unto the Least of His

September 2014

A word from Bobby

Here are some words and thoughts about blooming where you are planted! An excellent saying, but what does it really mean to bloom where you are planted?

You are not an accident, because you have been carefully placed in an exact location with no effort on your part.

In order to survive and thrive, you must stretch out your root system and you must work and acquire nutrients for your system to be healthy.

The intake of carbon dioxide and the output of oxygen will keep you alive. You must breathe in God's love and live for others.

In the blooming process, you are actually maturing and reproducing for the next generation.

You will have adverse climatic events. Some days will be rainy and others will be sunny, but these events will strengthen you.

Others will see your external beauty as fine looking, but your real strength and beauty comes from the inside.

There will not be an unlimited amount of time for you to exist so must utilize your time well.

Finally, receiving the Son will make your life full and energetic so that you can bloom anywhere!!

Our Vision

The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.

To our Friends and Partners

A big thank you to our partners in this ministry! God has used you to serve Him and those that have been overlooked or forgotten, the least.

Thank you!

We would love to come and share our ministry with your church, Sunday School, circle, civic group, school or community event.

Please continue to pray for this ministry as we reach out to the least and forgotten in our world!

A Letter from Dr. Kimba Evariste

President of Kabonga University

Hope this finds you and your family well. I thank God for our connection and ministry. I would like to share with you the issue of scholarships to help some of my students who cannot afford the \$420 a year to study at Kabongo Methodist University. Our academic year starts October 15 and I will be happy if you could find some help for my students. \$8400 will pay for 20 students or \$4200 for 10. Should you find something, November will be a good time to help. Thank you!

If you or your church would like to sponsor one or more of these students please designate on check.

Pictured above are 7 Theology graduates from Kabonga University. They were ordained at Annual Conference.

Dr. Evariste is standing in the middle.

Pastoral Seminar in Ghana, Africa with Rev. Leland Collins and Rev. Jimbo Dominey.

We would like to thank Rev. Eddie Enim for hosting our mission team. We had a 3-fold mission: teaching a pastoral seminar, clothing the naked and a water project at Diago, Ghana, Africa.

Please be in prayer for Dr. Tina Ramme and Northern Kenya. The rains are not coming so drought and famine are coming in the Samburu Region.

“Lord, when did we see you thirsty?” Jesus said, “When you did it for the least of these, you did it unto Me.”

Unto the Least of His is really excited about individual and church partnerships! We are currently placing 5 water wells in the Congo, 2 water wells in northern Kenya and 1 water project in West Africa. Our friends and partners are absolutely the best! We thank God for each of you, your family and your church. There are many families blessed because of your generosity. Thank you and may God add His blessings to you!

We had 2 groups, Grace Church (Perry, GA) and Warner Robins 1st UMC, (plus a few from other churches) go to Costa Rica this summer. Vacation Bible School, painting and plumbing kept the teams busy!

We were blessed to have our 7 yr. old grandson, Samuel Blackwood, go with us to Costa Rica this year! Train them while they are young!
