### **Our Vision**

The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.

### **To our Friends and Partners**

A big thank you to our partners in this ministry! God has used you to serve Him and those that have been overlooked or forgotten, the least.

### ***Thank you!***

We would love to come and share our ministry with your church, Sunday School, circle, civic group, school or community event.

Please continue to pray for this ministry as we reach out to the least and forgotten in our world!

## **A Word from Bobby**

As Unto the Least of His, along with our partners and friends of the ministry enter into our 13th year, I am always amazed at the whispers of God's calling me into the ministry over 30 years ago. I could not believe or understand His calling, because I always believed that He used pretty and extraordinary people like Moses, Esther and Billy Graham. I felt like a misfit from Whoville from Dr. Seuss' Christmas story. I did not realize that God uses and specializes in perfecting misfits! His whisper was overwhelming and it would not go away. I tried running, ignoring and negotiating with God about this whisper. I even had people that loved me try to help me understand God could not be calling me about such an important work. These people knew me and they were not trying to hurt me, but they were trying to protect me from my disillusioned thoughts. Could God really be whispering into a misfit's life?

Another whisper from God that has had a resounding effect upon my life was in Winneba, Ghana, Africa. I saw a child and a pig drinking water together in a small African village. I remember God's whisper to me to become involved and to do something about it. Who, me? I did not even have a clue as to how to help. Yet, in this whisper, I had the full assurance that God would be there with me in this endeavor. I did not need to see the end result, but I did need to pay attention to His voice. Being still and listening to these quiet whispers of God has always led me to a greater understanding of who He is and who He wants me to be.

I continue to strive at discerning these whispers from God, because answering His call has always brought greater meaning and peace into my life. As I am more able to hear and discern His whisper, I know great acts of love and kindness will follow, because God loves His people and creation!

## Congo Water Wells Donated by Swift Creek UMC & Unidilla UMC

Dear Bobby,  
I am told that villagers killed goats and chickens in celebration for the first ever water wells in these two villages of Kimba and Kadibwe. Thank you for this wonderful Christmas gift. Please find attached pictures.  
Kimba Evariste

Kimba Villa And Thank you to Switt Gwift Greek UMC Thank your Leland Collins for fresh water Bobby we love

Kadibwe says Thank You to Unidila UMC God Bless you Gary Boyles and Bryan Gerstel Merci Bobby Gale

## Another Water Well Completed in Kenya!

Donated by Isle of Hope UMC

We are so grateful for your partnership with Unto the Least of His ministry. Today, it is with great thanksgiving and gratitude that we report the successful completion of the water well at L'ngusagan village in northern Kenya. This water well project was blessed with an abundant water supply accessed at 132m and the well is now pumping water at 4.8m<sup>3</sup>/min, which is very good for this region. Many praises to our Lord and Savior today for blessing one of the driest and remote areas in Samburu with water!

The project is now complete and providing life-giving water to over 1100 families—approximately 3500 villagers-- including orphans and widows, their livestock, and a small school and medical dispensary. Many more will likely use this water well, as they travel long distances from other villages or are passing through as they herd their livestock, desperately seeking grass and water.

On behalf of the local village, we are very grateful for this miraculous, life-giving source of clean and safe drinking water! The Samburu know it is God who provides the water wells, through our family in Christ, and they use this gift of a well and water to share their faith with many others who visit the well.

Many blessings,

Naomi Lekisaat, Dipa Lesarge, and the Samburu KARE project
