Our Vision

The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.

To our Friends and Partners

A big thank you to our partners in this ministry! God has used you to serve Him and those that have been overlooked or forgotten, the least.

Thank you!

We would love to come and share our ministry with your church, Sunday School, circle, civic group, school or community event.

Please continue to pray for this ministry as we reach out to the least and forgotten in our world!

A Word from Bobby

We are mandated by our Christian baptism to be a people of Word and Deed. What does it mean to be a Christian of Word and Deed?

When someone is mostly Word-driven, the person has a theological leaning of the importance of Scripture, God's activities and God. Many of these people utilize their time working on their theological concepts, views and understandings.

What does it mean to be Deed-driven? This person has a theological perspective of doing good deeds and works. Many of these people will spend their time in volunteering and doing labors of love or good works.

Great theological leaders from both perspectives may attract large crowds of people. Some leaders may get people involved in both aspects; however, it is rare to find a person of theological understanding of Word and Deed with a mature implemented plan of action and development. A developed plan will mean a spiritual development of intentional Word study and an intentional Deed plan of actions.

I believe in this day and time, secular and materialistic people of the world are looking for holistic Christians who are doing good works, but they also need for us to explain why we, as Christians, **do** these good works. We need to be ready to give an answer for our baptism into the Christian faith, because the world does not differentiate good talks and works from Christian actions. It is our responsibility and our privilege to make a difference in our world for Christ while we are here.

Many people have no faith because they are misguided by the actions of those of us who call ourselves Christians. It is time to rise up Church, and be the Word and Deed of Christ for the world to know that they are beloved of God!

We are very excited about having our own water truck! We are already praying about it. A missionary, who is leaving Kenya in March, is selling it and can have it held for us, with a deposit, until we are able to raise the funds to purchase it. What a blessing!

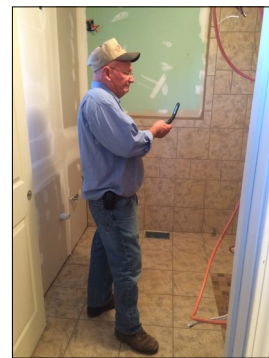

Pictured is a water tanker truck from Kenya. It originally cost \$60,000 (U.S.). We have the opportunity to purchase this tanker for the pay off price of \$12,000. It is a great opportunity for furthering the works of God in a sub-Saharan region of the world. We are asking

you to join us in prayer about this wonderful project!

Friends and partners of Unto the Least of His have helped place a water tank for a gravity fed water system. This small village had no clean water. We helped Dr. Gabriella Nanci, who runs a medical clinic in the interior part of Ghana, to place this water system.

Water tower progress at The Yonkofa Project clinic site in Yiwabra, Ghana!

We partnered with Rev. Tommy Veal to help build a special needs bathroom. It will serve a young woman who has been diagnosed with brain cancer.

Thank you so much for partnering with us to provide this precious water and food for drought and famine relief in sub-Sahara Africa! It would be far beyond the means of these people to have a water well and it is deeply appreciated.

We had the opportunity to help at the equestrian handicap ranch in Alabama that reaches out to autistic children and children with disabilities.

Salem and Shiloh UMC of Hahira made these clothing items for our overlooked and indigenous babies. God is good!

It is a labor of love that brings great joy to us and great benefits to God's children. I am reminded that good health is a blessing from the Lord!

Unto the Least of His has a South GA Conference advance special number

The ministry, Unto The Least Of His, has been approved for a South Georgia Conference Advance Special. This ministry was included in the Book of Recommendation for approval at this year's Annual Conference session. Our designated number is #7672.
