### **A Word from Bobby**

In this day and time of tragedies, a Godly testimony is absolutely necessary to the world and to the church to show that *love* still exists. A testimony is a remembering of a conversation or an experience that someone has gone through. However, only a Christian can give a Christian witness, and a Christian is one who has received and trusted in Jesus Christ. I can give a testimony of the love that I have found in Jesus Christ. I grew up in Savannah, Georgia and attended Trinity UMC as a child and a teenager. It was there that I experienced a Christian love that changed my life. I had some great Sunday School teachers that left me with an impression that I wanted to be like them. Their testimonies influenced me at an early age in life. We had a fantastic youth program and I have fond memories of being a Boy Scout in Troop 27. I will always be grateful for pastors like Brother Jim, Rev. Sanford Brown and Rev. Joel Dent who helped me in the formation years of my early life.

I will never forget the times that Rev. Sammy Clark came to 408 Forrest Ave. (where I lived) and carried a group of wild boys to different adventures and outings. He even invited me to go to Peru as a young person, but I was not able to go at the time. His demonstrations of Christian love left a tremendous impression of God's love in my life. I believe that our Christian testimonies are still needed for others to see the love of God in our world. Also, I believe that God used these people and their testimonies to help me to know of the richness of God's love for me and the world.

I want to challenge us to be aware that someone is watching our testimonies today. As a father, I will never forget the time that I was outside cutting down a tree with my chain saw and Josh (our youngest) slipped inside to call his mother and to report my actions to her. I did not even know that he was paying attention, but he was in tune with my activity.

Guard your Christian testimony carefully for someone is watching you that you may not even know about. Your life may be the light that helps them to experience hope, peace and love.

Meet Paul and Marty Law. They have helped us place many water wells in the Democratic Republic of the Congo. I was blessed to spend some time with them in Indiana. Please keep him and his precious family in your prayers as they do a beautiful work for our Lord's family and friends in Africa.

Blessed to be a blessing! I love our friends and partners. Thank you, Lord, for every friend and partner that make it possible for us to feed the hungry!

Colquitt United Methodist Church recognized the Miller County and SGA Baseball Teams. Rev. Bobby Gale was honored to be asked to speak and preached a sermon about being on God's team!

**Reflection Time!**

Lord, help me not to take your goodness, kindness and clean water for granted!

You get the chicken by hatching the egg not crushing it. Time with patience and due diligence has brought forth a beautiful gift to the world. We are still learning about the process of incubating eggs to chicks. Our goal is to teach others this process and to help eliminate hunger.

This beautiful chick was hatched around 4 a.m. one day last week.

Out of 40 eggs they ended up with 33 chicks!

Good job Jessica & David Blackwood and Daniel & Jennifer Gale.

Thank you to Jane Riner and Michael & Carrie Ann Kennedy.

The nicest place to be is in someone's thoughts, the safest place to be is in someone's prayers, and the very best place to be is in the hands of God!

I was privileged to baptize our youngest grandchild, Emerson Faith Gale, last month. What a blessing to be a part of dedicating this sweet child to God. Daughter of Josh & Brittany Gale.
