As we take some time to think about the most wonderful gift ever given, I know God's love for us must be my top pick. I have had some wonderful gifts in my life, but nothing compares to his love for me. In my greatest darkness, I've found great joy, hope and peace through this beautiful child that was given to us. Isaiah uses four names to describe the Messiah. These names have significant meaning for us.

*Wonderful Counselor* - He is incomparable, eminent and the one who gives right advice.

*Mighty God* - He is Alpha and Omega who created the heavens and the earth.

*Everlasting Father* - He is God our Father; he is ageless and unchanging.

*Prince of Peace* - His kingdom is one of justice and peace.

There is no greater friend than Jesus in troubled times. He will be there for us with exceptional wisdom for our complex issues or our life challenges. We can put our trust in him because he is able to see the past, present and the future. As the Everlasting Father, he is timeless so his deliverance is dependable. In our distress, there is an amazing peace that can be found in God's gift to us.

What a beautiful life it is, to be able to stand tall at Christmas with the Saints and say that Our God is love. His everlasting love surpasses time, space and matter for his beautiful children. This Christmas be the person that offers the greatest invitation to the world's greatest gift.

*Nancy and I wish you and your family a Merry Christmas. We pray that it is filled with wisdom, peace, joy and love because of the wonderful gift of Jesus Christ to the world.*

Dr. Kimba Evariste and Marcel Faliata from the Democratic Republic of the Congo are giving insights to the complex world of poverty at the local church.

### From Start to Finish

Grace Wicker and the Agape Stitches loaded up the suitcases of Kimba and Marcel with love and much needed supplies. Baby blankets, book bags and childrens' clothes for the beautiful village people.

There was a gift-giving day at the school in this village, but these four babies did not get anything because they could not be at school that day. It is a reminder for me that there is still more Kingdom work to do! Praise God for blessing us to be a blessing.

A new water well was placed in the Lukamvwe village and was dedicated to the Glory of God. The village people have never had fresh clean water and they praised God for their miracle from the rock!

### HURRICANE MICHAEL

Hurricane Michael did much damage to people's lives and property, but the church is answering the call and making a difference. These pictures were taken in Sylvester, Georgia. Thank you, Steve Purnell, for your leadership.

Short term mission experiences expand our world view of the vastness of God's love and His creation. Michael Page, Joshua Gale and Jessica Blackwood are products of short term missions. If you need a program or a guest speaker, give them a call.
