

JULY 2019

A Word from Bobby

Our small investments are compounding into great acts of kindness and kingdom works. A big thank you to our friends and partners! Here is a note from our team in Kenya.

Blessings, Bobby

Dear Bobby, Nancy, and Unto the Least of His Supporters,

Thank you for the generous gift of a medical clinic for one of our neediest villages, some of the least served people in East Africa. We are sure many or most people in Kenya have no idea that many of these villages even exist. This clinic serves a group of communities within a 200-mile circumference. The clinic is now operational and already helping to save the lives of villagers in northern Kenya.

Recently, an emergency call came in after midnight from a nearby village. Because everyone was completely exhausted from a very busy day in our ministry, I went on the call myself. Once in the village, I found a young mother having complications with childbirth and had to help deliver her breech baby in the middle of the night in a mud hut with just the firelight from small smoky embers in the "kitchen" (3 rocks and a pot).

There were no midwives around and we couldn't move her at that point, but God guided us through. After the new infant finally arrived, an elderly woman from the village took an old shoe, turned it over and cut off the umbilical cord with a razor blade on the filthy goat-poop encrusted tread, introducing the infant to all the antibodies it will need for a life-time! **See photos.

Suddenly, the new mother began hemorrhaging badly. We rushed her to the nearest medical care—the newly constructed Josena medical clinic in Nasumai, where the nurse practitioner went to work immediately. It was a very close call, but she was able to save the lives of both the mother and the newborn infant.

We are so grateful for the gift of this clinic!

Much love and many prayers,

Dipa, Naomi, and Tina and the Samburu community

Our Vision

The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.

To our Friends and Partners

A big **thank you** to our partners in this ministry! God has used you to serve Him and those that have been overlooked or forgotten, the least.

We would love to come and share our ministry with your church, Sunday School, circle, civic group, school or community event.

Please continue to pray for this ministry as we reach out to the least and forgotten in our world!

South GA Conference advance special number

Our designated number is
#7672

Newest water well recipients in Northern Kenya. I believe that they like it! A true Christian labor of love for the marginalized people of the world. A big thank you to Tina for her collaborative effort and experience. A great big hug to all our partners and friends that help with their financial gifts and prayers. We love you and may God continue his blessings and favor on you and our ministry.

We are so grateful for the water well that was provided in Lerata. It has been completed and water is flowing abundantly. This is a blessing and we are so grateful for the clean water security it provides to over 2000 villagers! Thank you so much for this gift of clean water in this semi-arid desert region of northern Kenya. The long line of water buckets reveals how badly water is needed in this region. A better water tank would greatly reduce the long lines and provide added water security. The water tank is approximately \$3500. Two or three tanks are needed. Many blessings, Dipa, Naomi, and Tina and the Samburu community

South Georgia Annual Conference has been a time of connecting and reconnecting with co-laborers. Rev. Stephen Grantham and Rev. J. Wesley Jones, Jr. brought dresses and love from their churches, Moultrie UMC & Moulton First from Alabama, for the children in Africa. Thank you for your faithfulness!

Small beginnings with a glorious celebration are so much fun. We are definitely excited about Jessica's journey. Thank you, Lord, for your greatness in our family, our current situation, and our future. Congratulations Rev. Jessica Blackwood! The Christian life has benefits!

Our son & daughter-in-law, Josh & Brittany, were able to see the fruits of their labors come into fruition at Annual Conference. Josh was ordained as an elder in the Methodist Church and we are very proud of them. The process was long and challenging, but Josh's leadership and persistence were longer. Good job Rev. Josh Gale and thank you, Lord, for your grace.

Future president of the Methodist Children's Home is seen praying for the marginalized children of the world. This is our granddaughter, Emerson, praying. Proud grandparents.

Introducing our newest addition!
Camden James Gale
was born on April 5, 2019
to Josh & Brittany Gale. So excited to welcome our new little grandson!
