

DECEMBER 2020

A Word from Bobby

First, I would like to thank God for his many blessings during this season of life. As many of you know, I had Covid-19 in October and I am doing much better. After I recovered from the virus I then had a vertigo spell. Vertigo is a condition that I do not wish on even my enemies. However, these inconveniences were a great reminder that good health and peace of mind are priceless blessings from the Almighty God. Like the leper that was cleansed in Luke's gospel, I feel grateful for His healing touch and restoration in my life.

Whether we are sick or not, life keeps on moving forward! Our modern world has some real faith issues before us similar to those in the Bible. I am sure Esther (Esther 3:5) felt overwhelmed with her dilemma concerning Haman's clever plan to destroy her people. Also, we know in Genesis that Joseph felt devastated by his life's situation. Yet, human history tells us that God used him in a great deliverance for his people. Reflecting on what Joseph's brothers had done to him, he said, "You intended to harm me, but God intended it for good to accomplish what is being done, the saving of many lives" (Genesis 50:20).

In the book of Ecclesiastes, Solomon wrote, "What has been will be again, what has been done will be done again; there is nothing new under the sun" (Ecl.1:9). Heads of government have disappointed us and church leaders have not been much better. Apart from God and His teaching, the human commentary is a dismal history of humans destroying everything that they touch. We read about it in ancient civilization and we are seeing it today.

However, Daniel reminds us of one important truth, "There is a God in Heaven" (Daniel 2:28). That simple fact changes everything. There is an omnipotent God who answers the prayers of His people and has provided hope in the past and He will provide hope for the present and the future. If God's people are willing to pray and act, we will see miracles manifested in our world.

If we are willing to pray and act on His commandments and His promises, I know that we will hear Jesus say to us, "Well done good and faithful servant" (Matthew 25:23).

Our Vision

The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.

To our Friends and Partners

A big **thank you** to our partners in this ministry! God has used you to serve Him and those that have been overlooked or forgotten, the least.

We would love to come and share our ministry with your church, Sunday School, circle, civic group, school or community event.

Please continue to pray for this ministry as we reach out to the least and forgotten in our world!

South GA Conference advance special number

Our designated number is
#7672

**Wishing you all a very Merry Christmas
and a Happy New Year!**

**From Unto the Least of His ministry and
The Gale Family**

FROM AN EMPTY CONTAINER TO AN OBGYN CLINIC!

After much work, this medical clinic was completed and transported to the next location where it was loaded with \$7 million worth of medicine, thanks to Dr. Gabriella Nanci with the Yonkofa Project. By God's grace and an outpouring of love from his people, we were able to experience a great work of mercy and see God transform the container into a clinic that will serve 5000 marginalized people in West Africa. To God be the glory because great things he has done!

BOOKS BOOKS BOOKS!

A big shout out to Hazlehurst UMC, Wrightsville First UMC, Tybee Island UMC, Wesley UMC of Evans and the Norwood UMC Charge for their love of children. Rev. Allen Hartsfield, Rev. Mike Bankston, Rev. Sue Jackson and Rev. Jessica Blackwood led a children's book drive and they collected many, many books for the children in West Africa. These books will be placed in the OB/GYN Clinic container. After arriving to their new home, they will be placed in a school's library and will be enjoyed by many children.

These beautiful young people are helping to load the "love boxes" to West Africa. Baby blankets, pillows, diapers, approximately 4000 reusable sanitation napkins for young girls in school, dresses and short sets will be a blessing for the recipients when the container makes its journey. Thank you to all those that made this possible!

These 12 pastors from East Africa were grateful for these gifts of love and groceries. It has been a difficult time for them. They live in a hand to mouth economy with no savings. Please keep their children and their churches in your thoughts and prayers.

New water well in the Congo with Paul and Marty Law. Dozens of women and children line up for pure healthy water being pumped from 100 feet below their village by solar panels and a solar pump!!

How many of us have been impacted by this hard working Methodist preacher and head honcho of Hooked On

Jesus ministry, Rev. Tommy Veal? I know that my family has been tremendously blessed by Rev. Tommy and his wife, Beverly.
