Our Vision

The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.

To our Friends and Partners

A big **thank you** to our partners in this ministry! God has used you to serve Him and those that have been overlooked or forgotten, the least.

We would love to come and share our ministry with your church, Sunday School, circle, civic group, school or community event.

Please continue to pray for this ministry as we reach out to the least and forgotten in our world!

South GA Conference Advance Special Number

Our designated number is #7672

A Word from Bobby

Have you ever noticed how much work it takes to create a nice garden? First, you must have the desire, the land and the right tools, then you must work the soil for readiness. Also, you must have the right type of seeds for your garden because the land does not know or care what you are going to plant. The land will grow thorns and thistles as well as corn, tomatoes or grapes.

If you plant a seed in your garden and never water it, the seed will not grow and it will deteriorate. However, with the ground properly prepared and the seed watered then you may expect a harvest. When the water hits the seed, the seed will begin to transform into its more mature status and it will yield its fruit for consumption and reproduction. The more the seed produces the happier the farmer becomes. I am especially thankful for our farmers and the agricultural specialists that grow these amazing gardens. They are definitely some of the hardest working people in our country and I just want them to know that we appreciate them.

In the New Testament, there are many illustrations of planting and watering. When the Holy Spirit touches our lives, I believe that God is expecting a harvest from our lives. Each of us are like different plants so we will have different yields. The Spirit of God will place different dreams and visions in each us for reaching the world with God's love. God planted us in our families and in our countries for this harvest season. Let us not disappoint our Lord with empty baskets.

We are excited to announce that container #1 has reached its destination! The village of Asentikrom, Ghana, West Africa is receiving the first OBGYN clinic. These acts of love take a lots of time, work and patience. The clinic is being unloaded.

Container no. 2 in Hazlehurst, GA is on its way to Ghana, Africa! Thank you Rev. Allen Hartsfield for your pastoral leadership in this project.

*He has shown you, O mortal, what is good.
And what does the Lord require of you?
To act justly and to love mercy and to
walk humbly with your God.
Micah 6:8*

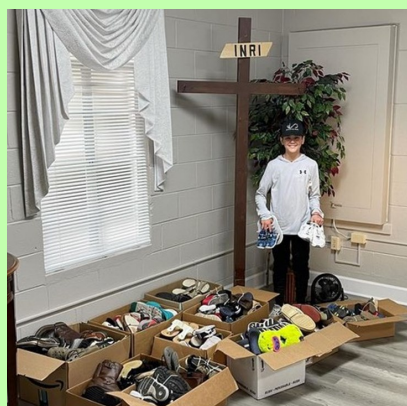

There are so many boxes of hope and love inside this solar powered medical clinic. Every box that entered into this cargo container was filled with faith, hope and love for a fairer and more just world. I'm humbled just to be a small part in this great Christian humanitarian work of mercy.

Again, there are not enough words to describe the love that was put into this small project. Everyone can be great if we will just learn to serve others.

David and Rita Becker brought these beautiful handmade clothes from Omaha, Nebraska. They have a sewing group, like our Agape Stitchers from Dublin, GA, who are providing clothes for the marginalized children of the world. These are exciting times to be living the Christian life.

*"Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith, and purity."
1 Timothy 4:12*

Jude Harrison, age 12, has been working on his "Soles for Souls" project. Thank you to everyone who helped make this a great success! 255 pairs of shoes from all over Ga and Fla! God is so good and faithful, all the time. Thank you for helping Jude meet his goal of 100 pairs and with a little faith and obedience God provided another 155 above and beyond his goal! God bless these shoes and the people who gave them and the ones who will receive them!

These beautiful tools are a gift from Dr. David Turfler and his wife, Luana, Hazlehurst, GA. Sometimes, God's goodness is just overwhelming. These tools in the hands of an accomplished surgeon will bless and save many, many peoples' lives.

Please come and journey with Wrightsville UMC as we develop this new solar powered medical clinic.

#3 OBGYN Medical Clinic is in Wrightsville, GA and it's ready for construction! These beautiful clinics are going to serve women in West Africa. The recipients are super grateful to have access to better health care and services. A big shout out of thanks to Rev. Mike Bankston of Wrightsville UMC for his pastoral leadership.
