## **A Word from Bobby**

### **The only prayer that God won't answer!**

Webster's definition of prayer is:

A solemn request for help or expression of thanks addressed to God or an object of worship.

Simply put, prayer is conversing with God. Not just talking to God, but listening. If the most basic understanding of prayer is talking and listening to God then prayer may be active or passive; however, it is directed to God.

Billy Graham's understanding of prayer:

Prayer is spiritual communication between man and God, a two-way relationship in which man should not only talk to God but also listen to Him. Prayer to God is like a child's conversation with his father or mother. It is natural for a child to ask his parents for the things he needs or wants.

Our prayers are not restricted to church and other holy places. Don't forget: "Jonah prayed to the Lord his God from inside the fish" (**Jonah 2:1**). God can answer our prayers even in our distress.

Unlike Zechariah, I do not want to doubt God's answers to my prayers (**Luke 1:5-23**). However, God can answer our prayers even when we are doubting.

Like old blind Bartimaeus, I'm confident God delights to hear and answer our prayers. (**Matthew 20:29-34**; **Mark 10:46-52**; **Luke 18:35-43**)

Like the poor widow, I am confident that God will bless my prayers and gifts. (**Mark 12:41-44**; **Luke 21:1-4**). Also, I believe He sees my heart's desires and he rewards my faithfulness.

In short, God will answer our prayers with yes, no or not now. However, I believe the only prayer that God won't answer is the one that I am unwilling to pray. Spending time with God should be like spending time with your aging parents. A blessing for both parties.

### **God uses beautiful people to complete His work!**

Rev. Kim Carter Dixon, Rev. Jared Middleton, Rev. Don Adams, Dr. Bob Shuman and Bucky Dixon along with the friends and members of Pine Forest UMC and Buckhorn UMC are making great progress in building their medical clinic to be shipped to Ghana, Africa. It was such an honor to be with them and Rev. Craig Hutto as we sang, prayed and gave thanks to God for His goodness in the open field of Dublin, GA.

### **If you build it they will come!**

Pastor John Drake and the Millen UMC are dreaming of an outreach Children's Ministry. This ministry will serve many families with much needed daycare services. Unto the Least of His and friends are helping with the building of this project.

### **These young people are helping others in the global village!**

I want the world to know that these beautiful young people are not only dreamers, but they are also doers!

Emma Grace took on an indigenous library project for Ghana, Africa. She collected books for children and adults to use in the marginalized African schools and clinics.

Jude took on a shoe project. He heard us talking about the dresses and clothes for children but he never heard any news about shoes. He started a shoe drive for our marginalized school children in the global village.

Presley, who is a pitcher for her school's girls softball team, struck out 451 individuals in her 6th, 7th and 8th grade softball season and she struck out 300 girls in her 9th grade year and their team won the Georgia State Championship. She gave a dollar for each strike out. She donated \$451 to a clean water project in Kenya, Africa and \$300 for drought and famine relief in Northern Kenya.

Also, each of these young people have helped in the constructing of our solar powered OBGYN medical clinics.

Recently, we took a short term mission trip to the Quibbins area, Massachusetts. Rev. Jimbo Dominey, Christian Ingram and myself helped Dr. Tina Ramme to get her new house secured. Tina has been instrumental in helping with our work in Kenya. She now has a place she can call 'home'.

### **Congratulations to Rev. Dr. Josh Gale!**
