**A Word from Bobby**

I have been encouraged by Joe Gibbs' wisdom through his book Game Plan for Life. The renowned coach not only imparts godly principles for success, but he lays the foundation for a life that's rich in purpose, meaning and fulfillment.

Joe Gibbs, 82, is a multifaceted personality known for his achievements in both NFL coaching and NASCAR racing. He brings a unique perspective to the table. Just as he skillfully maneuvered teams on the track and field, he shares a strategy for godly living.

Building a winning team is one of the cornerstones of Gibbs' game plan for life. He knows the value of his partners and friends for a successful Christian life, not just on the football field, but in life's journey as well. Surrounding oneself with individuals who uplift, challenge, and support is an important key. Much like a well-coordinated race track team working towards a common goal, a circle of trusted friends and mentors can offer guidance and fellowship.

Joe Gibbs understands the significance of integrity. He underscores the importance of honesty and hard work. The Bible is our playbook in the game of life, guiding our life choices. These biblical principles ensure that our decisions align with the core of who God wants us to be.

In his book he emphasizes a balanced life. Just as a football team must strike a balance between offense and defense, Coach Gibbs encourages us to manage our personal and professional lives within boundaries. These boundaries will help us pursue excellence in our relationships and well-being with others.

Life, like a game, presents its share of challenges. Coach Gibbs' life journey showcases the power of resilience. Whether it's overcoming setbacks in sports or obstacles in life, your ability to stay resilient and push forward is key. It's the spirit of not giving up that defines the true champions like in the story of David and Goliath.

In the final chapter of the Game Plan for Life, Coach Gibbs emphasizes the importance of leaving a lasting legacy. Just as his legacy extends beyond coaching to philanthropy and mentorship, he encourages us to make a positive impact that endures beyond our years. What do you want to be remembered for or what do you want your legacy to say about you?

We received ultrasound machines and a vital piece of diagnosis equipment which will undoubtedly make a significant impact on the lives of countless patients in need. The gift of medical equipment is a true blessing and will bring hope, healing, and improved healthcare to so many people in Guatemala. Thank you to Bonnie Burns and her amazing team for their dedication to helping others and making the world a better place. You have truly made a difference and your support will have a lasting impact on the community.

Exciting news from Friendship Methodist Church in Donaldsonville, Georgia!

We're thrilled to share that our solar-powered medical clinic, #10, is on its way to becoming a reality! Stay tuned for more updates as we continue to bring positive change to our world!

Thank you Rev. Michael Finn and Rincon Methodist Church for all that you do. Filling these soon to be clinics with items that will bless the people of Ghana is servanthood in action. May your efforts continue to bring positivity and inspiration to those we serve.

***I have no greater joy than to hear that my children walk in truth. 3 John 3:4 KJV***

The fact that my son and grandson were working together as a team for their church is a wonderful blessing to see. They were sprucing up the picnic area tables, gazebo, and the sidewalk with pressure washing at Pitts Chapel UMC.
