## A Word from Bobby

### *Sharing the Good News of Jesus Christ*

Unto the Least of His ministry started almost 13 years ago. Our love for the church and our desire to share Jesus Christ with others has never wavered or changed, but we have witnessed a lot of changes around the world over the years. While Nancy and I were serving a small circuit of Methodist churches in Wilkinson County, we found out about the power of being involved in missions by word and deed. We placed a clothing rack with a sign that read, "Free—in Jesus' Name", right in the front yard of our church on Highway 441. It was amazing to see the giving and receiving of blessings from that one anointed idea.

I believe that God is still waiting and looking for a church or an individual who will say, "Here I am Lord". I will always remember how ordinary I felt in answering his call to ministry and missions, but God's grace and mercy has always been there for me. My journey has consisted of doubts and questions about life and justice, which I still struggle with and do not understand even as I write these words. I have often wondered why some people have enough to eat and drink while others suffer from drought and famine conditions, and why do young people die who, seemingly, have a bright future in front of them. Even my mother's battle with dementia and both of my father's legs being amputated has brought many faith questions that I do not have the answers for.

I am just like many of you, with harder questions than I have answers for. However, I am a Christian because I know that Jesus Christ is the way, the truth and the life. His calling and love beckon us to go forward without the knowing of the answers to these difficult faith issues. I am excited about our new work in Ecuador, the Congo, Ghana, Kenya and right here at home. Unto the Least of His ministry is ready to wrestle and struggle with these difficult issues and to say, "here we are Lord, send us".

### **Our Vision**

The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.

### **To our Friends and Partners**

A big thank you to our partners in this ministry! God has used you to serve Him and those that have been overlooked or forgotten, the least.

### ***Thank you!***

We would love to come and share our ministry with your church, Sunday School, circle, civic group, school or community event.

Please continue to pray for this ministry as we reach out to the least and forgotten in our world!

Rev. Barry Owens waited on the Lord for 55 years for his dream to be fulfilled. At 83 years of age, Barry was able to be a blessing and to be blessed by the little Ghanaian children of the world. We participated in water projects, feeding programs, clothing ministries and sharing the good news to the overlooked and forgotten in Ghana, Africa.

I would like to introduce you to some of our recipients of love from the other side of the pond. In God's creation, beautiful smiles can be found everywhere in the world. These children have and are suffering from the famines and droughts of Sub-Sahara Africa. I am glad that friends and partners of Unto the Least of His are making a difference with our small feeding program in Kenya, Africa.

One of our goals is to train and equip people and churches to be involved in missions locally, nationally and internationally. It has been another fruitful season of ministry for us. Rev. Ken Morgan and the Warner Robins First UMC mission team brought a Super Storm Sandy family and community hope. It has been 3 years since super Storm Sandy, but families are still displaced from the storm.
