## A Word from Bobby

### Easter reflection

As Easter approaches, it's time for reflection, renewal and rejoicing. This 2024 Season of Lent invites us to contemplate the deep meaning of the resurrection, hope and the transforming power of love.

### Reflecting on Resurrection

Easter is a symbol of rebirth and renewal. Like seeing the blueberry bushes blooming in South Georgia with new flowers after a harsh winter is a reminder of God's faithfulness. Easter reminds us that from the darkest moments light can emerge and new beginnings are coming. Lent is a time for us to reflect on our own moments of growth and transformation and recognizing the resurrection power within each of us.

### Embracing hope

In a world often marked by uncertainty and challenges, the season of Easter offers hope. Even Jesus knew difficulties with doubts, religious and political people of His time on earth. He reminds us that even in the midst of adversity, there is always a possibility for redemption and renewal. Remember Nicodemus! Let us hold onto this hope, knowing that better days are ahead and that God's love ultimately conquers all.

### Celebrating loves triumphs

At the heart of Easter is a message of God's love triumphing over death and darkness. God's ultimate sacrifice of love, followed by the wonderful victory over death, serves as a powerful reminder of the nature of God and God's love for humanity. We need to celebrate His love, the love that binds us together as a community of faith and the love that uplifts the least and the marginalized with clean water, medical care, the Gospel message and human dignity.

As we gather together with loved ones to celebrate the Lent and Easter seasons, may we carry these reflections in our hearts. May we find comfort in the promise of renewal, strength in the embrace of hope, and joy in the triumph of love.

Small beginnings are not to be despised!

Presley Harrison of Appling County is ranked among the top 5 fast pitchers in the country. The UGA Fast Pitch Team recently signed her on after her senior year!

With her talents, she aims to strike out hunger. A sponsor donates a dollar for each strikeout she makes during her high school season and state championship playoffs.

A true blessing is her love and commitment to God and to people.

Baptism is an outward sign of grace and an inward work of God in a person's life.

At this intersection, a new beginning takes place and it is a glorious journey regardless of age, color or creed. Our friend in Asia wanted to be baptized.

One of the most important tools on the mission field is a good transportation vehicle. There is nothing cheap or romantic about it, but it is a necessary item for good ministry. We are helping Dr. Michael Lolwerikoi to get new tires replaced. The price of tires in Kenya are comparable to USA prices. God is good.

I want to give a shoutout to the friends of God. A new ramp, a new roof and a repaired living room are some of the latest projects. Rev. Tommy Veal and Rev. Wes Webb with their teams do some amazing ministry.

Easter greetings to you and your family!

May the resurrected power of the Lord Jesus Christ abide with each of you.

From today, may a new era of blessings come upon you. May a fresh anointing of the Holy Spirit flow into your life. May there be peace, joy and prosperity in your life and in your family.

Happy Easter from

Unto the Least of His  
and the Gale Family!
