A Word from Bobby

During the month of June, we will journey into the timeless Biblical story of the prodigal son found in Luke 13:11-32, a story steeped in forgiveness, redemption, and the unwavering love of a father.

In this parable the young son, consumed by wandering lust and reckless behaviors, leaves his father's provision and protection, squandering his inheritance on a life of indulgence. Eventually, he finds himself destitute and broken, yearning for the comfort of his father's love and embrace.

But what makes this story resonate through generations is not just the son's return, but the father's response. Despite the pain of betrayal, the father doesn't meet his son with condemnation or reproach. Instead, he runs to embrace him, clothed in compassion and forgiveness. In that moment, the father exemplifies the boundless love and grace that defines fatherhood.

As we celebrate Father's Day, let's reflect on the profound lessons of this parable. Let's honor the fathers in our lives, who, like the father in the story, offers us shelter in life's storms, guidance in moments of confusion, and love that knows no bounds.

To all the fathers, grandfathers, stepfathers, and father figures, your unwavering presence and unconditional love shape us in ways we may not always acknowledge. Today, we express our gratitude for your sacrifices, your wisdom, and your enduring love.

I would love to give a shout-out to my father, Albert C. Gale, and my father-in-law, O.H. Zipperer for their hard work, love and examples of Christ in my life.

May this Father's Day be a reminder of the profound impact fathers have on our lives and a celebration of the immeasurable love, mercy and grace that they so generously bestow upon us.

Happy Father's Day!

These beautiful students in Ghana are proud of their new totes. These items were given out after Independence Day. I'm so proud of our sewing groups from Georgia, Alabama and Nebraska. Your labors of love are changing the world!

One small step for humanity, but a gigantic step for the marginalized people of Kenya. "I was without lights, but I have solar powered lights today." The Doctor is super grateful and excited. We have lights at the Josena Clinic! The Strikeout Hunger Campaign, Presley Harrison, Dr. Tina Ramme and our partners made this project happen! Also, we have been permitted to place a solar powered water well at the clinic which will serve the clinic and a small school. Thanks be to God!

So many times we think blessing others is helping them, but the real truth is by helping others we are helping them and ourselves. It was a joy to be with my brother, Rev. Dr. Edward Enim, he preached a great tent revival meeting in Ivey, Georgia.

Do not despise small beginnings or small churches! Last night, Hopewell UMC of Baxley, GA sponsored a low country boil, a Saturday evening worship service and a brand new water well for our friends in India. Clean water changes people's lives and hearts.

From Rev. Michael Finn:

What a day at Rincon Global Methodist Church! God really blessed our worship today. Bobby Gale challenged us to place 3 water wells in India. Challenge accepted!

We are having a great experience with the team in Costa Rica. God has blessed us with great team building skills and a great family. I'm so thankful for each one of them. There is nothing like being in the hands of God, under His leadership and protection!
