**Our Vision**

The vision for this ministry is to equip individuals & local churches to become more actively involved in Christian mission opportunities and service.

**To our Friends and Partners**

A big **thank you** to our partners in this ministry! God has used you to serve Him and those that have been overlooked or forgotten, the least. We would love to come and share our ministry with your church, Sunday School, circle, civic group, school or community event.

Please continue to pray for this ministry as we reach out to the least and the forgotten in our world!

**A Word from Bobby**

*“Give thanks to the Lord, for He is good; His love endures forever.” Psalm 107:1*

As we reflect on this season of Thanksgiving and prepare our hearts for Christmas, we are overwhelmed with gratitude for your faithful support, prayers, and encouragement throughout the year. Unto the Least of His Ministry has been blessed to witness God’s goodness and provision as we serve those in need and share His love around the world.

Thanksgiving reminds us of the power of community and the beauty of God’s creation. From clean water wells in Kenya and India to providing education and nourishment for young people through programs like our partner’s, Presley Harrison’s Strikeout for Hunger, we’ve seen lives transformed. These blessings are made possible because of your commitment to *“do unto the least of these”* (Matthew 25:40).

As we move into the Christmas season, we are reminded of the greatest gift of all—our Savior, Jesus Christ. *“For unto us a Child is born, unto us a Son is given; and the government will be upon His shoulder. And His name will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.”* – Isaiah 9:6. This truth inspires us to press on in our mission to bring hope and healing to those who need it most.

Here are some highlights from this year:

- The Jerry Can Ride brought attention to the global water crisis, and we were blessed by the outpouring of love and support from people across the journey.
- Through our partnerships, we’ve been able to provide clean water to countless families, creating a ripple effect of health, education, and opportunity.
- Relationships have deepened, like Savion who gave his life to Christ in Allendale, SC. Also, we’ve walked alongside Hurricane Helene effected communities with the Gospel and meeting both spiritual and physical needs.

As we celebrate Christ’s birth, we remember those who are hurting, hungry, or without hope and we will continue to serve them faithfully, trusting God to multiply our efforts for His glory.

We are deeply grateful for you, our partners, who make this ministry possible. Your prayers, resources, and encouragement fuel the work God has called us to do. May you and your family experience the joy, peace, and love of Christ this season.

Rev. Bobby & Nancy Gale & the Unto the Least of His Ministry Team

The Jerry Can Ride was all about glorifying God and raising awareness for the global need for clean water. We began this incredible journey at Fort Pulaski, traveling through Georgia, South Carolina, North Carolina, and into Virginia. Along the way, we witnessed the beauty of God's creation and connected with amazing people who share our vision.

In Virginia, the weather took a turn as a northeast storm rolled in, forcing us to temporarily pause the ride. By then, we had completed nearly 550 miles, with just 150 miles left to reach our destination—the Washington Monument.

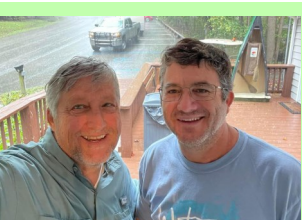

This mission has been about more than just the miles; it's a testament to faith, perseverance, and the life-changing power of clean water. We remain committed to completing the journey and are deeply grateful for everyone's prayers and support as we press on to make a difference in Jesus' name.

Today was all about sharing love—both God's love and the need for clean water. While riding through Camden, SC, a young woman approached us asking for help, and we were blessed with the chance to share the love of Christ with her. People need the Lord as much as they need clean water, and today reminded us just how powerful both can be. Unto the Least of His and Wet Feet Ministries is in action today!

I want to extend my appreciation to Allen and Dorothy Miles for visiting us during our Jerry Can Ride in South Boston, Virginia. Your love and support mean the world to us and I am truly grateful for your kindness. Thank you for being a friend and a part of this journey with us!

Back at home with a grateful heart for the opportunity to turn a dream into a reality. Though Mitchell and myself didn't complete the Jerry Can Ride as we hoped, we accomplished everything we could at this time. And for that, we are so thankful to God!

The ride may be paused, but the mission is not over. The desire is still burning bright and we're more determined than ever to pursue the fulfillment of God's purpose in our lives.

Thank you to each and every one of you who rode with us, encouraged us, and prayed for us along the way. The best is yet to come!

Another good day! Hazlehurst & McCrae Global Methodist Church, in partnership with Unto the Least of His, continues to shine with another powerful day of service after Hurricane

Helene. Ann Griffin said it best, capturing the spirit of love and unity in action. Special thanks to Jimmy Morris, Jonathan Hartsfield, Christian Ingram, Pastor Steve, Pastor Jimbo Dominey, for being the hands and feet of Christ. May the impact of your work remind everyone that even in the storms, God's love never fails!

### **Thanksgiving and Gratitude**

Take a moment today to pause and count your blessings. Even in the midst of challenges, there's so much to be thankful for—each sunrise, the kindness of friends, the strength to face a new day, and the small moments that make life beautiful. Gratitude and thanksgiving shifts our focus from what we lack to the abundance we have, filling our hearts with peace and joy. Embrace each blessing, big and small, and let gratitude light the way forward.

I would like to remember my partner and friend, Jonathan Godfrey, whose untimely passing has left a space in our hearts. As I am writing this newsletter, I am remembering him and his words to me, "Now Brother Bobby, we got this newsletter, so go ahead and worry about something else", and he always delivered allowing us to focus on other things. He has been a help and an inspiration to Unto the Least of His ministry. He helped us understand the value of a team and that each team person matters. He was not only our publisher, but he was my friend in Christ's calling around the world. Also, I would like to thank Robby Collins for introducing us. Heather, Clayton and the Mailsort team; we will grieve with you as we miss our friend Jonathan.
